

Ryan Keegan

DVM, Diplomate ACVIM (Cardiology)

Dr. Keegan received his bachelor's degree from the University of Notre Dame and graduated from Colorado State University, College of Veterinary Medicine in 2010. He then completed a one year small animal rotating internship at Oradell Animal Hospital. With a fascination for cardiovascular physiology and improving the quality of life of animals, Dr. Keegan also completed a 3 year residency in veterinary cardiology at Red Bank Veterinary Hospital and received Board Certification (Specialty of Cardiology) in 2014.

Dr. Keegan's goal is to provide the most accurate diagnosis, prognosis, and treatment plan for your pet's heart condition. His focus is to work together with you and your primary care veterinarian to ensure the best possible quality of life for your pet.

Dr. Keegan resides with his wife, a cat, and a loving pack of dogs.
