

Natalie LaTorre

DVM

Dr. Natalie LaTorre is a South Jersey native who grew up in Vineland, NJ. She graduated from the University of Delaware with a Bachelor of Science Degree before going on to receive her Doctorate in Veterinary Medicine from The Ohio State University.

Dr. LaTorre has been working in South Jersey for over 13 years with experience in both emergency medicine and general practice. Her professional interests include soft tissue surgery, internal medicine and feline medicine. Dr. LaTorre is also a huge advocate for the "Fear Free" initiative in veterinary medicine.

In her free time, Dr. LaTorre loves experiencing live music and traveling. She enjoys spending time with her family, friends, and her house full of pets.
